Stewart Fraser, BCom., Director, Acquisitions and Special Projects

Stewart graduated from the University of Alberta with a Bachelor of Commerce with Distinction in 2006, and a Masters of Urban and Regional Planning (with a focus on Real Estate Development) in 2008 from Queen's University. In 2008, Stewart joined Cameron Development Corporation as Development Manager. He now facilitates new residential, commercial, and industrial properties. Stewart specializes in financial feasibility studies and the bridging of on-site project management with financial modeling. He also manages strategic analysis of retail, industrial, office, and mixed-use projects, as well as responding to RFP's. He has been instrumental to the company's recent acquisitions of Centre in the Park, Edmonton Business Campus, and Monarch Industrial Park.

Stewart is also a member of the International Council of Shopping Centres (ICSC), and guest lectures for the University of Alberta School of Business (Undergraduate and Graduate level) and University of Alberta School of Urban Planning.
