

Corporate Bio

Tina Naqvi-Rota, P.Eng, MBA
Chief Executive Officer

After completing a Civil Engineering Degree and a successful term position with the City of Edmonton, Tina joined her father Jerry in 1991 as Director of Leasing. She obtained an MBA degree, and has gone on to lead all aspects of the business.

Tina is a member of APEGA (Association of Professional Engineers and Geoscientists in Alberta), ICSC (International Council of Shopping Centers), YPO (Young Presidents' Organization), CREW (Commercial Real Estate Women), and IWF (International Women's Forum). In addition, she has been involved with various philanthropic and business-related Boards and Committees including Autism Edmonton and Alberta School of Business Dean's Advisory Committee, as well as Board Member of KV Capital Mortgage Fund, Norquest College, and Northern Developments & Investment Group.

Tina currently leads Cameron Development Corporation as Chief Executive Officer and Board Chair.
