Rudy Roopnarine, Vice President, Development

Rudy joined Cameron Development Corporation in February of 2012 after managing construction for Staples Canada and Golf Town North America.

Rudy's experience in retail development and construction has made him a valuable asset for Cameron Development Corporation.

He oversees various departments including Construction, Leasing, and Design and is responsible for all new development projects at Cameron. Rudy is also part of the executive decision-making process for all major projects as Vice President, Development. Rudy currently serves as Board Director for the Urban Development Institute - Edmonton Chapter (UDI) and is also the Board Liaison and Representative of UDI Commercial Committee.
