

CAMERON

C O R P O R A T I O N

Ashley Simpson, RPA, BOMI-HP Director, Property Management

Ashley brings over 13 years of experience and relationship building to her role as Director, Property Management. She oversees the overall maintenance strategy, site budgets and tenant/stakeholder relations in order to provide long-term value.

She joined Cameron Development Corporation in 2022. Previously, she led a team of property managers at Canderel Management West Inc where she helped developed their policies, procedures and KPIs on local and national levels.

Ashley graduated from Sir Sandford Fleming College with a diploma in Business Administration and has obtained designations from Building Owners and Managers International for “Real Property Administrator (RPA)” and “BOMI High-Performance (BOMI-HP).”
