

Corporate Bio

Ashley Simpson, RPA, BOMA-HP
Director, Property Management

Ashley brings over 15 years of experience and relationship building to her role as Director of Property Management. She oversees the overall property management strategy, budgets, and tenant/stakeholder relations to provide long-term value.

Ashley joined Cameron Development Corporation in 2022 and leads the property management and operations teams for Cameron. Prior to this, she led a team of property managers at Canderel Management, where she was instrumental in developing their policies, procedures, and KPIs on both local and national levels.

Ashley graduated from Sir Sandford Fleming College with a diploma in Business Administration. She has also earned designations from Building Owners and Managers International as a Real Property Administrator (RPA) and BOMI High-Performance (BOMI-HP), along with her Broker's License from RECA.
